I-95 EXPRESS TOLL LANES

Four New Express Toll Lanes
(2 Northbound/2 Southbound) **along 8 miles**
of I-95 between Baltimore City
and White Marsh

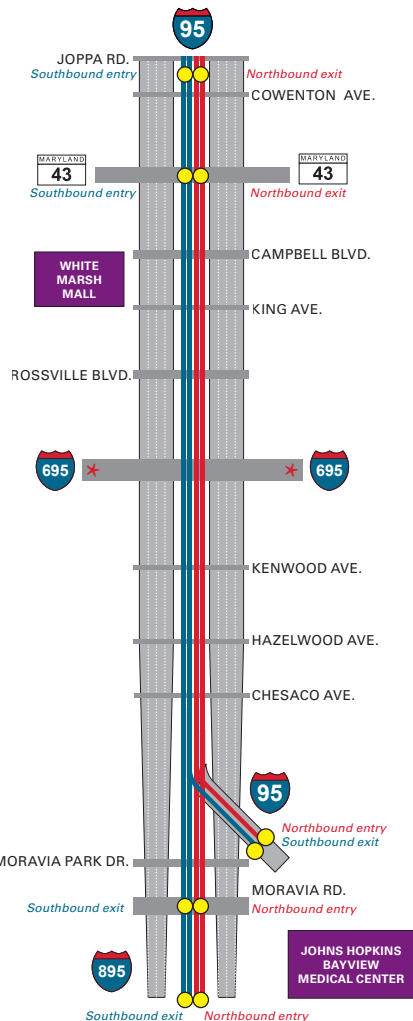

WHAT ARE THE I-95 EXPRESS TOLL LANES (ETL)?

The I-95 ETL are part of the I-95 Improvement Project, which is bringing safety enhancements and traffic relief to one of the most congested portions of I-95 in the Baltimore region. The I-95 Express Toll Lanes provide eight miles (seven tolled) of generally congestion-free travel between I-895 and just north of MD 43 (White Marsh Boulevard) in Northeast Baltimore. To keep you moving, tolls are collected automatically at highway speeds using E-ZPass or Video Tolling. The ETL are expected to primarily be used during rush hours and holidays, but are designed to handle traffic demands well into the future. When convenience and reliability are most important, make the ETL your choice for travel.

YOUR CHOICE FOR RELIABLE TRAVEL

I-95 EXPRESS TOLL LANES (ETL)

WAYS TO PAY:

1. *E-ZPass* MARYLAND

Already have *E-ZPass*? You are all set to go.

Don't have *E-ZPass*? Sign up today at ezpassmd.com, visit a Stop-In Center or purchase a pre-activated *E-ZPass* "On the Go" transponder at all Mars Super Markets, select Giant Food Stores and Maryland MVA locations.

2. Video Tolling

The registered owner of the traveling vehicle is mailed a Notice of Toll Due (NOTD). The NOTD should arrive within three to six weeks of the transaction.

See complete rate information on the reverse side.

THE I-95 IMPROVEMENT PROJECT WITH EXPRESS TOLL LANES (ETL) PROVIDES BENEFITS TO ALL MOTORISTS WITH:

Safety Upgrades:

- Safer travel by eliminating left exits, improving interchanges and reducing congestion
- Reconfigured I-95 interchanges at I-895, I-695 and MD 43
- Replaced two structurally deficient bridges at MD 43

More Travel Options:

- Convenient travel choices with option of paying a toll to drive in generally congestion-free ETL or staying in the existing I-95 lanes with no toll
- Reliable travel times
- Highway speed tolling via *E-ZPass* and Video Tolling
